Make Life Easy

SMART LOCK

Get Home Security Like Never Before

Get Smart is a brand new business unit of bti, where our focus is to incorporate automation features within your home, so that you and your loved ones can enjoy a life of comfort and convenience.

SMART IP CAMERA

Monitor Home Security From Afar

SMART SWITCH

Control All Home Appliances Remotely From Your Phone

WIFI PLUG

Monitor All Home Appliances From Your Phone

AUTOMATED CLOTH DRYING RACK

This Smart appliance comes with antibacterial properties and dries your clothes gently to the required degree of dryness without any creasing.

AUTOMATED HEATED TOWEL RAIL

Automatically dries a wet towel by generating heat & prevents molds or fungus from forming on it.

SS WALL-MOUNTED RETRACTABLE CLOTH RAIL

Made with the finest stainless steel, the SS Wall-mounted Retractable Cloth Rail is an amazing appliance that lets you dry your clothes efficiently while saving space.

MAKE LIFE EASY

----- WHY US -----

bti has been a pioneer in the real estate industry for decades, and has cemented itself as a customer favourite when it comes to providing quality construction, unparalleled service, and excellent designs. We thrive on customer satisfaction and constantly pursue excellence for that reason.

Get Smart is an extension of that mission - making home-ownership a joyful experience. It allows you to control your home environment however you want, wherever you want, whenever you want.

Enjoy convenience and ease of life like never before.
