NORTH GULSHAN

ARCHITECT'S NOTE

"While designing Silvi, I focused on internal spaces that deliver great functionality cleverly synchronized with ample light & ventilation, to ensure the utmost privacy and comfort for the residents.

The expansive, open verandahs that appear to be a top to bottom vertical layer of greenery on the building ensure that you have a quiet, serene space to unwind and relax.

In a nutshell, Silvi will be magnificent to live in. You will feel the wow factor as soon as you step in!"
