Generator

A diesel-run emergency auto start/stop canopied generator, imported from Europe, to be used in case of power failure with:

1. Engine-Perkins/Cummins or good quality as per developer's choice.
2. Alternator-Stamford/Mecc-Alte or good quality as per developer's choice.

The generator will support the following:

1. Lift, water pump, and lighting in common space and stairs.
2. One light and one fan point in every room (including the staff bed), one light point in the kitchen, and all bathrooms.
3. One point for the refrigerator and one point for television.

Water

- Underground water reservoir with lifting pump to store two days' consumption capacity.
- An overhead water tank above the rooftop with the capacity to serve half a day's requirement.
- One standby water pump for emergencies.

Optional Features

All optional work or additional fittings and fixtures (according to the customer's choice) may be done at an additional cost after approval of bti. Kitchen cabinets and built-in wardrobes can be ordered separately. **Interior design consultation with Square Feet Story (SFS) is also available through bti.**

Structural & General Engineering Features

- Structurally strong building design based on ACI/BNBC/ASTM to withstand 210 km/hr winds and earthquake resistance as per BNBC.
- Machine-made concrete Hollow blocks (damp-treated and salinity proof) as per developer's choice to be used.
- All structural materials including steel, cement, bricks, Sylhet sand, and other aggregates will be screened for quality, including laboratory testing.
- Systematic testing in quality control laboratories of concrete and other completed work samples, at every stage.

Enjoy Peace of Mind with **A bti Home**

- Proper fire protection (fire hydrant, fire alarm & extinguisher) provided by ensuring fire safety measures (fire escape for emergency exit with fire-protected door) on all floors.
- Earthquake-resistant design assures structural integrity.
- All-round security of residents is maintained through 24/7 CCTV surveillance and intercom service.
- The usage of hollow blocks/ Reinforced Concrete Panels in the construction enables the reduction of sound and heat.
- The best after-sales service in the real-estate sector.
